# MUSEUM NIGHT

*Eyes Open to the Night*

17:00 - 01:00

Delegacija Evropske unije  
u Republici Srbiji

ALPHA BANK

## MUSEUM NIGHT 2015

### PROGRAMME HIGHLIGHTS

This year's Night of Museums will take place under the motto "Eyes Open to the Night" on Saturday, May 16th, from 5 pm till 1 am. During one single night 63 locations in Belgrade and 52 towns in Serbia will bring together more than 180 cultural institutions – museums, galleries and exhibition spaces with a total of 419 events

#### YUGOSLAV FILM ARCHIVE

*Uzun Mirkova 1*

[www.kinoteka.org.rs](http://www.kinoteka.org.rs)

#### UNFORGETTABLE KISSES

Decades of the movie passion and legendary couples from the silver screen will inspire you to get soaking wet in the rain of the sweetest movie kisses without any hesitation. For those of you who are less romantic, but are still passionate fans of the moving pictures, we have prepared irresistible temptations: you will have a possibility to work on the film tape, to try out movie lighting, film rolling, film developing, editing and film projecting.

#### UK PAROBROD

*Kapetan Misina 6a*

[www.ukparobrod.rs](http://www.ukparobrod.rs)

#### SAY CHEEEESE!

Founders of the Photo Museum association collected in the course of time over 100 000 shots. Being great experts, they will reveal to you the history and technology of photography and offer you such a good time! The exhibition Development of the Photography will take on a journey to early times when this "painting" with the light started, but it will also enable you to enter into the dark room and develop your own photos! Say cheese!

#### THE NIGHT IN FOCUS: ARCHITECTURE OF ĐORĐE GEC

Although he is no longer with us, creations of this architect across Belgrade remind us on the magic of creativity and on the riches that is left behind it. Tube, Šećer, Langust-Public, Brankow, Lasta, Mladost and Ludost, Radost and Moritz Eis would never become legendary places of the rich night life of the capital, if they weren't a product of the sharp eye and an incredible imagination of one of the greatest Belgrade's architect!

## MUSEUM OF SCIENCE AND TECHNOLOGY

*Skenderbegova 51*

[www.muzejnt.rs](http://www.muzejnt.rs)

### INDUSTRIAL DESIGN

**GALLERY ALEKSANDAR DESPIĆ:** Fabulous creations of students of the Faculty of Applied Arts will instantly convince you that beautiful surrounding can reshape the way we perceive the world and change our lives.

**SCIENCE CENTRE:** In the Museum Night see the science in a different light! Our interactive exhibits will explain you different phenomena from astronomy, mathematics, physics, biology and encourage you think and fantasize by engaging all of your senses and abilities.

**CHILDREN'S MUSUEM:** We have amazing news for all kids – no adults are allowed in this museum! We would like to notify you that huge amount of toys in various shapes and materials, simply all of your favorite toys, wait for your delight!

## DEPARTEMENT OF THE MUSEUM OF SCIENCE AND TECHNOLOGY

### Museum of the Serbian Doctors Association

*Džordža Vašingtona 19*

[www.muzejnt.rs](http://www.muzejnt.rs)

### FATAL MAY OF 1903

Bullets that in the long-gone spring days shot Duke Mihailo and half a century later killed King Aleksandar and Queen Draga, changed the course of history in a completely new direction. Two pistol bullets, from which one was extracted from the body of the Queen Draga and the other was found in the room of the assassination, are held in the Museum and visitors will have an opportunity to see these exquisite testimonies of the crucial moments of the recent Serbian history.

## ART PAVILION CVIJETA ZUZORIĆ

*Mali Kalemegdan 1*

### CHILDREN'S PAVILION

Dear children, especially for you, we open a true pavilion for kids in the Museum Night! We created various workshops to titillate your imagination and engage your hands.

**DEEP SAND:** Find out how we can grow, develop and liberate our potentials through sand drawing. Curious kids and grownups, everybody is welcome to experience this very special skill!

**SAILORS FOR YOU:** Future sailors and naval captains from the School for shipping, shipbuilding and hydraulic engineering will demonstrate and teach you how to make real naval knots and use navigation instruments.

**MAKING OF CARNIVAL MASKS:** Our friends from Lozovik are coming and they will teach you how to make masks from pumpkins, beans, wheat and various other interesting materials. Be ready for a true costume ball!

**LEGO CITY:** You will see a real city made entirely from your favorite little cubes and you will also be able to contribute the construction of skyscrapers, houses or roads.

**ALICE IN THE MUSEUM NIGHT:** On the occasion of the 150<sup>th</sup> anniversary of the book “Alice in wonderland”, you will have a unique opportunity to take part in the story about Alice. You will see the famous illustrations and movie sections, but you can also have a cup of tea with the White Rabbit and The Hatter.

## PLATEAU PAVILION CVIJETA ZUZORIĆ

*LAF Lozovik*

[www.laf.in.rs](http://www.laf.in.rs)

### **CARNIVAL MASKS: SECRETS OF THE WHITE WEEK**

During the long winter nights, boys from Lozovik, a village in the Velika Plana County, gather around and make colorful masks out of pumpkins. They wear fur coats and carry strings of bells, making loud and cheerful noise. Exclusively, and only in the Museum Night, we will introduce you with the old customs related to the White Carnival. Traditionally the costumed boys walk around the village in the White Week, a week before the Easter fast begins, to chase away the evil demons and spirits from barns and courtyards in the village. We will take you on a walk across Kalemegdan and we invite you to see how these masks are made. You can also dance kolo around the fire and we are sure you will be simply delighted with our carnival!

From 22 p.m. until 01 a.m.

## MARKET ZELENI VENAC

*Jug Bogdanova bb*

### **BELGRADE LITTLE MARKET**

We do not exaggerate when we say that you will have a great time at the market place, because there will be a variety of events for you at the market Zeleni Venac and at the best price ever. We will present you a whole century of customs of the famous Belgrade markets and on counters from different time periods you can shop, not only organic treats, by weight! Lawyers and bankers will give you free legal and financial advices and you can also talk with celebrities about your favorite delicatessens. If we tell you that we prepared humanitarian actions and special surprises too, it is clear that you need to hurry – such offer won't last for long!

## FACULTY OF FINE ARTS – CLUB AKADEMIJA

*Knez Mihajlova 51*

### EINTAGMUSEUM

Exclusively for the 12<sup>th</sup> Museum Night, our guests from Austria decided to evoke memories on the legendary club Akademija, turning it into a Museum for one day. Curators of this museum are all of those who marked this place, which was an important phase in growing up of several generations. It doesn't matter if they performed, created or simply were regular guests. We invite you to remind yourselves on the authentic ambient in which bands such as Ekatarina Velika, Električni orgazam, Partibrejkersi, Psihomodopop, Toni Montana and many others performed on an improvised stage. We will revive the sound of 1980ies and 1990ies with original records and audio tapes!

## DOCTOR'S TOWER

*Višegradska 26*

[www.lazalazarevic.rs](http://www.lazalazarevic.rs)

### WHEN YOUR SOUL IS IN PAIN

We are sure that you already know that the Doctor's Tower is one of the most significant monuments from the time of Duke Miloš Obrenović. However, did you know that this was also the first and the oldest psychiatric hospital in the Balkans? Find out who was the doctor after whom the Tower got its name, how dr Laza Lazarević became one of the most respected doctor, to which statesmen the Tower belonged and who named it „Home for those who are out of their mind“.

## CITY MUSEUM BELGRADE

*Resavska 40b*

[www.mgb.org.rs](http://www.mgb.org.rs)

### TRACKS AND TRACES

Two artists, two approaches and an infinite number of possibilities for the interpretation of their work. The exhibition “Tracks and Traces” represents Austrian artist Andreas Fogarasi and Serbian artist Saša Tkačenko with their visions on the experience of the urban space! The Austrian artist deals with the issues of identity, architecture and economy, while the Serbian artist is more interested in the history of public spaces, their presences and disappearance over the time.

**8 p.m. Concert HETEM, Strahinja Beganović**

## NEW CEMETERY

*Ruzveltova 50*

[www.beogradskagroblja.rs](http://www.beogradskagroblja.rs)

## THE ARTIST IN WAR

The Alley of the Distinguished Citizens at the New Cemetery, where numerous artists and writers rest in peace, is a proof about battles in art and life, in which painters, sculptors, architects and many others had to take part during the turbulent times of the Second World War. Visit the graves of Ivo Andrić, Paja Jovanović and other great individuals and remind yourselves that their work and importance are timeless!

**From 5 p.m. to midnight**

## THE ROYAL PALACES IN DEDINJE

*Bulevar kneza Aleksandra Karađorđevića 96, Gate 2 (entrance: Baja Pivljanina St)*

[www.royalfamily.org](http://www.royalfamily.org)

## WITNESSES OF THE EPOCHS AND FIGHTERS FOR FREEDOM

Only in the Museum Night you can see the exhibition of photos which will depict you how the period of the monarchy looked like and transport you into the time of King Aleksandar, King Petar II, Tito and even in the time of Milošević. With the help of this timemachine, you will see the photos of the Royal family on the exact spots where they were taken long time ago! Apart from this, you will have an opportunity to get familiar with the life and work of general Dragoljub Draža Mihailović in the exhibition „General Mihailović – The first fighter for freedom in the occupied Europe“.

## HERITAGE HOUSE OF PETAR LUBARDA

*Iličićeva 1*

[www.kucalegata.org](http://www.kucalegata.org)

## SECTER LIFE OF A PAINTING

For the first time in the Museum Night, the visitors will see the Heritage House of Petar Lubarda. Discover all the physical, chemical and conservation procedures and techniques which brought back to life this remarkable edifice. Apart from dedicated people, there are also microscopes, lasers and modern technologies involved and thanks to them we can see a brand new and hidden life of a painting. Now and then, old and new, forgotten and revived.... All this are dimensions through which you can perceive the story about this place which is much more than just a house.
